

The Overmountain Victory Trail Association (OVTA) has received Cooperative Agreement funding from the National Park Service for programs along the Overmountain Victory National Historic Trail (OVNHT) and grant funding from the National Park Foundation for the OVNHT "Every Kid Outdoors" field trips. This grant is to provide transportation and program support for primary school students and other youth organizations, with an emphasis on 4<sup>th</sup> grade students, to visit our national parks and trails, and other public lands. The OVNHT is a National Trail and is part of the National Park System. The OVTA has funding available for field trips to sites along or associated with the OVNHT. Please let us know if you would like to arrange a program at your school or youth group, or a field trip, or even better, both.

This project was made possible by a grant from the National Park Foundation through generous support of partners including Union Pacific Railroad and donors across the country. Funding is also provided from the National Park Service, Department of the Interior, for school and public programs throughout the 330-mile corridor of the Overmountain Victory National Historic Trail. Together we serve to Protect, Preserve and Interpret the route of the Campaign to the Battle at Kings Mountain.
