--	--	--

The Overmountain Victory Trail Association (OVTA) has received funding from the National Park Service for programs along the Overmountain Victory National Historic Trail (OVNHT) and a grant from the National Park Foundation for the OVNHT “**Every Kid Outdoors**” field trips. This grant is to provide transportation and program support for primary school students, with an emphasis on 4th grade students, to visit our national parks and trails, and other public lands. We encourage our students to visit the OVNHT and historic sites related to the trail. **We will award any student a pin or patch for visiting any five of the sites listed below**, including up to two “Find Your Own” historic sites related to the OVNHT. For example, a Find Your Own Site might be the grave of a Kings Mountain Veteran – maybe even your ancestor! Have someone at the site or an adult sign for your visit, and then have an adult help you mail the completed form to us. Be sure to include your mailing address so we can send you the pin or patch. Visit us at www.ovta.org, or on Facebook at [Overmountain Victory Trail Association](https://www.facebook.com/OvermountainVictoryTrailAssociation). **Contact us at info@ovta.org for school field trips. Fourth Graders! This is for YOU! Every Kid Outdoors:** You and your family get free access to hundreds of parks, lands, and waters for an entire year. Visit <https://everykidoutdoors.gov/> to claim your free pass for you and your family!

This project was made possible by a grant from the National Park Foundation through generous support of partners including Union Pacific Railroad and donors across the country. Funding is also provided from the National Park Service, Department of the Interior, for school and public programs throughout the 330 mile corridor of the Overmountain Victory National Historic Trail. Together we serve to Protect, Preserve and Interpret the route of the Campaign to the Battle at Kings Mountain.
